

OGC HAS REVIEWED.

(Apprent.) 1 March 54

25X1A9a

Very sorry indeed to hear of the trouble you are in as the result of misplaced confidence in your yeoman. When one has to get things done it is certainly proper procedure to delegate responsibility. Sorry indeed your yeoman embarrassed you.

I thought it fitting to send a statement concerning you to court. This reply which will bear the mark of the Agency on it will go through official naval channels to the court. Best of luck in the procedures which are to follow.
